

Information on Privacy Policy of the handling of personal data passed on to the University of Veterinary Medicine Budapest

To meet its objectives to ensure that the appropriate information is communicated to the inquirers about the available courses and programmes, the University of Veterinary Medicine Budapest shall gather and handle the following personal data from the registered users: name, email address, phone numbers.

Handling private data is possible with the preliminary permission of the registered users. The personal data that have been passed on are handled by the Communications and International Relations Department in a SharePoint database in accordance with the University's Account Management Policy.

You have the possibility to ask for information about your personal data that are handled by the University through adatkezeles@univet.hu or the 1400 Budapest, PO BOX 2 address. Your request will be granted within 30 days. You can also notify the University on these addresses if your data are incorrect or have changed.

You can request deletion of your personal data that are handled by the University. The University executes the deletion if you had withdrawn your former consent, the data handling has been illicit or in case there is no legitimate interest on the University's side that is considered to be a priority. You can notify the University that you wish to limit access to your personal data if:

- you have doubts about the accuracy of your personal data;
- you request deletion of your personal data due to illicit data handling;
- you request your personal data that is not needed for data handling for submitting, validating or protection of legal claims;
- you object to data handling by reasons regarding your own situation.

You can object to your personal data handling, in which case the University deletes your personal data. Your request cannot be executed in case there are legal binding reasons that are to be prioritized over the objection.

If you have any further questions about your personal data handling, please write to adatkezeles@univet.hu, the Data Protection Officer of the University will be happy to help you.

If you wish to file a complaint about the legitimate handling of personal data, you may do it in the following way:

- You can contact the University's Chancellor;
- You can file a complaint to the Hungarian National Authority for Data Protection and Freedom of Information (1530 Budapest, PO BOX: 5.)
- You can request a legal remedy from the court designated to your permanent address.
